

POKT

Your Power Companion Next Generation Portable Battery Generator

Erratic power supply can
disrupt our daily lives and work.
Diesel-powered generators are
bulky, noisy and polluting.

Reliable, Clean Power is the Need of the Hour

We Introduce the
New Standard for
Battery Generators

POKT is a next-generation portable battery generator with an expandable ecosystem for homes, businesses, outdoor applications and electric vehicles.

Never Run Out
of Power

Carry Power
Wherever You Go

Who Can Use It?

Home Backup

Light (AC)

Refrigerator 120W (AC)

50" TV 110W (AC)

CPAP 40W (AC)

Microwave 1300W (AC)

Washer 500W (AC)

Hair Dryer 1600W (AC)

Coffee Maker 1000W (AC)

Electric Frying Pan 1200W (AC)

Outdoor

Phone 11 Wh (Type - C)

Laptop 60Wh (Type-C)

Camera 16Wh (USB)

Drone 40Wh (Type-C)

Speaker 10W (AC)

Blender 500W (AC)

Car Fridge 60W (DC)

Projector 66W (AC)

PSS 200W (AC)

EV charging

2 Wheeler (AC)

3 Wheeler (AC)

4 Wheeler (AC)

Professionals

Air Conditioner 1800W (AC)

Electric Drill 1080W (AC)

Circular Saw 1400W (AC)

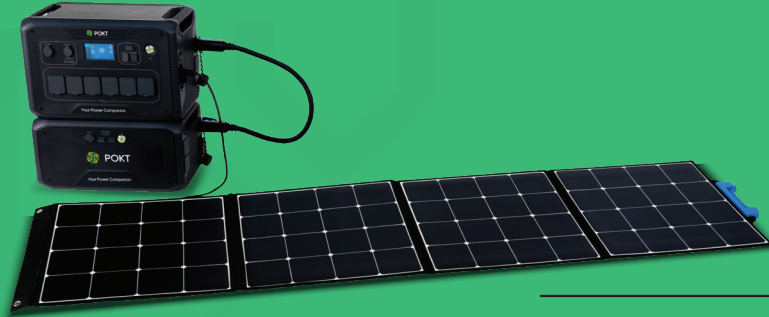

Electric Oven 1650W (AC)

Industrial Vacuum Cleaner 1200W (AC)

Features

Portable Solar Panels for Charging

3000 Watt

Fastest Portable Power Station

Wall Socket + Solar

Quick Dual Recharge

Design

Compact, Sleek & Modular

3-12 kWh

Compact, Sleek & Modular

15 Devices Powered Simultaneously

Power Anything at Home, Outdoor or at Work

3500 Cycles

Long Product Life

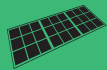

Smart Energy Management

Reduce Grid Dependency + Lower Energy Bills

Safe & Secure

Temperature, Current, Voltage Protection

Go Renewable

Portable Solar Panels

Clean and Silent Generator

No Gas. No Noise. No Maintenance

POKT Charger

General

Net Weight	21 Kg
Dimensions	520 X 320 X 358 mm
Capacity	3072 – 12288 Wh (60 – 240 Ah)
Type	LiFePO4
Voltage	51.2 V
Temperature	- 20 – 65°C
Humidity	10 – 90%
Protection	Short circuit, Over temperature

Output

AC	3000W Total (6 x 220 – 240 VDC, 13A)
DC	USB-A: 2 X 5VDC, 3A, 15W Total USB-A (fast): 2 X 3.6 – 12VDC, 3A; 2 X 18W Total USB-C: 1 X 5 – 15VDC, 3A; 1 X 20VDC, 5A, 100W Wireless: 2 X 5/7.5/15W Cigarette lighter Port: 1 X 24VDC, 10A

Input

AC	3000W Max (1Ø AC, 240VAC, 30A)
----	--------------------------------

PV Input

MPTT (Voltage Limit)	12 – 150 VDC
Max Power of Input	2 X 1200W
Max Input Current	2 X 12A

POKT Battery

General

Net Weight	35 Kg
Dimensions	520 X 320 X 266 mm
Capacity	3072 – 12288 Wh (60 – 240 Ah)
Type	LiFePO4
Voltage	51.2 V
Temperature	-20 – 40°C
Humidity	10 – 90%

Output

DC	USB-A : 1 X 3.6 – 12 VDC, 3A, 18W USB -C: 1 X 5 – 15 VDC, 3A; 1 X 20 VDC, 5 A, 100W Cigarette Lighter Port: 1 X 12 VDC, 10A
----	---

Input

AC	500W Max
Specs	58.8 VDC, 8A

PV Input

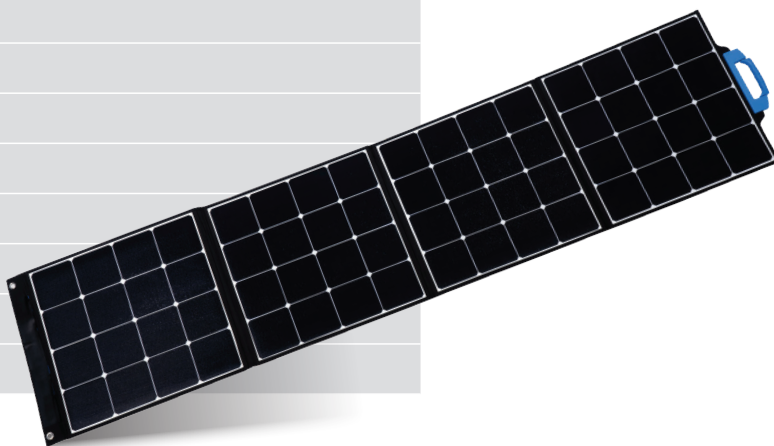

MPTT (Voltage Limit)	12 – 60 VDC
Max Power of Input	200W
Max Input Current	10A

POKT Portable Solar Panel

General

Net Weight	7 Kg
Dimensions	Folded: 601 X 536 X 47 mm Unfolded: 2259 X 536 X 23 mm
Peak Power (Pm)	220W
Type	ETFE
Efficiency	Upto 24%
Voltage at Max Power	19.2 V
Current at Max Power	11.4 A
Voltage at Max Power	19.2 V
Open Circuit Voltage	23 V
Short Circuit Current	13.7 A
Temperature	-10 – 65°C
